ENERGIZE
YOUR NEXT EVENT
WITH A MEMORABLE NEW BOOTH

This book is loaded with dynamic product groupings to help you draw attendees to your space and hold their attention.

- Like what you see? Great!
- Want to mix and match? Feel free!
- Looking for something not shown? Call our staff; we're happy to help!

Designing your booth space can be challenging. The booth presentations on the following pages are meant to:

- Generate ideas.
- Create impactful presentations that work for your company.

CHOOSING YOUR BOOTH SPACE

AN IMPORTANT DECISION

Whenit comestochoosing your booth, inline exhibits are budget-friendly and the most plentiful within the exhibit hall. Main aisles and the end of rows are excellent locations as attendees will stop and take a look down the aisle before continuing their journey.
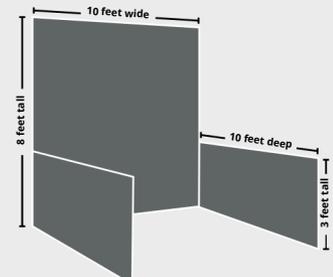

· A Standard 10' x 10' or Inline exhibit space shares a common back wall and/or side(s) with other exhibits with only one side exposed to the aisle.

· These exhibit spaces can be purchased individually or consecutively to make a space that is 10' x 20', 10' x 30', 10' x 40', etc.

· Other booth sizes, such as islands and peninsulas, are also available.
